Anne,

I am a little nervous communicating with you right now. Although John and I talk a lot in the last few communications with you I have not had any response from you. I pray I have not offended you. I must bring up some things for you to know. They are:

1. Fidel has given the summer intern category to his assistant [REDACTED]. She has not been educated about our Friend's pathway.
2. [REDACTED] has not been tendered an offer from us.
3. I am sure you have mentioned this item after our dinner to a colleague but [REDACTED] has not had any communication regarding the Oak Brook/Oak Brook Terrace real estate.
4. Again, I am sure you have communicated this item to a person after our dinner but [REDACTED] is still a Level 4.

I hope all is well. Cinda and I talked today and her analysis is that something is going on and you are having a tough to. If that is true and if there is something I can do through me or someone else please alert me.

My best, Mike
